

TOTS, TYKES & ME

BUFFONE ARENA, WORCESTER

This program is an excellent introduction to ice skating for youngsters ages 2 ½ through 4 years old to learn the basics while skating with a parent or guardian. Each class consists of a 25-minute lesson where skaters learn the necessary skills to enjoy recreational ice skating or enter into a hockey or figure skating program in the future. The program includes an optional, unsupervised 25-minute practice. For this program, each child must have an adult participating with them on the ice.

Each child will receive a progress book with stickers that will help keep track of your child's progress as they move through the 5 beginner levels. When skaters complete the program, they are ready to move into our Learn-to-Skate or Hockey Skating Skills programs. Skates will be available free of charge on a first-come, first-served basis with limited availability. If you decide to purchase skates for your child, please remember that only single blade skates are allowed. HECC certified helmets are strongly recommended. Skaters should wear warm, comfortable clothing and mittens or gloves to class.
